

Civil Code Book III Obligations

Part Three. Claims Based on Law

【3.3.01】 (Grounds for exemption from damages)

Further consideration shall be given to whether provisions allowing exemption in cases of damages by reason of non-performance of an obligation occurring through grounds other than the contract are required.

【3.3.02】 (Scope of damages)

In cases of the claim for damages on the grounds other than non-performance of a contractual obligation, damage which is the subject of protection under the rules which form the basis for such liability for damages and damage which occurs as the reasonable outcome of such damage shall be compensated.
